Welcome from the company

We would like to welcome you to this performance of A Slice of Saturday Night, performed by some of the older members of our company. The action takes place at the Club A-Go-Go where four 'blokes' and four 'birds' are out on the pull. Set in the swinging sixties the girls are lacquered to perfection and desperate to look like Twiggy or Sandy Shaw. The lads in their suave suits and polo necked jumpers are all would be Beatles! Beneath the fab and groovy exterior the girls are searching for romance, while inside their hipster trousers the guys are fighting with adolescent impulses! Sue is going out with Gary, who cheats up Penny and any other bit of stuff that looks his way. Rick fancies Sharon but can't pluck up the courage to tell her. Eddie fancies Bridget who doesn't fancy anyone. All watched over by club owner Eric 'Rubber Legs' De Vene. Follow the teens as they give us an insight into a slice of Saturday Night! Enjoy the show!
